Jefferson Park Neighbors Association

City Council District 10 Region 6

Just Another Party With Folks&Food

LuisSouth

Time to show how well we work and play together here in Jefferson Park. It's summer once again and it time for somebody to give a party! So the location for the Jefferson Park Neighbors pot luck celebration is on the 2000 block of 30th Street (between Western Ave. & St. Andrews Place) this coming Saturday, August 4th from 12:00 until 6:00 p.m.

Jefferson Park Neighbors is once again requesting all cooks

from this Region 6 area to call the community line to give your name and say what you'll be making for the community feast. We'll call back to tell you exactly which address to deliver your dish. No food donations will be accepted unless you call the community line at (323) 370-9140 in order to get confirmation. We have to be very firm about this for security reasons. The world has simply gone a bit bananas so we're not going to monkey around on the

idea of safety for those who participate. We'll also need all the help we can get at 9 a.m. Aug. 4 when we'll be setting up the stage, 400 folding chairs and a large canopy. This is about how we do in this neck of the hood, not about one block. The more folks joining in to help out and participate, the more enjoyable the experience.

Again, the community help line (where you make a difference) is (323) 370-9140. Thanks

Dare to Dream

by Luis South

Wendell Tyler, the world champion football player of UCLA and NFL history has been on target setting up his nonprofit for working with youth and their families in our community. He has a

vested interest in our city because, not only did he grow up here, now his son, Marc attends USC. Both will be with us at the beginning of our pot luck Jefferson Park party.

Mr. Tyler has already begun working with me to serve inner city families through providing meaningful strategies that help make life better. He still plays strong.

ON THE CORNER *by Luis South*
A continuing series focused on community development

It's going to take a very strong sustained community effort to improve what's happening on the corner of Western Ave. and 31 Street. As they say so often, the wheels of government turn slowly. Patience is a virtue. Now we have Mercy Housing.

*Jefferson and Arlington Avenue
Our new Plaza*

We will go forward to continue building our following of commit-

ted community members willing to collaborate on this project.

Mercy Housing will facilitate the dialogue. You'll be there to be a functional part of the decision-making.

Thanks to Councilman Herb Wes-son for bringing us together in a forum designed to respect the ideas of all who participate.

Korean Grocers Assoc.
We thank you for your kind donation of soft drinks, plastic eating utensils, napkins, and paper plates for this year's Jefferson Park Neighbors community-wide block party. **Your concern about our community's prosperity shows in the level of your ongoing support for our youth & families.**
